Products displayed are not actual size and the logos used are for reference only to illustrate branding options.
They are the property of their owners and represent no endorsement of this brochure or its content.

Product colours illustrated are matched as closely as the print process will allow and should be considered to be approximate. Actual product colours can also vary from shipment to shipment and this is beyond our control. Always ask to see a sample to ensure the product colour and the product itself are suitable for the intended purpose as we do not accept returns due to minor colour variations or the product being deemed unsuitable once it is delivered.

All lead times quoted are approximate and can be affected by various factors.
Please ask for accurate delivery information when placing an order.

Swiss Peak products are your constant companions in whatever journey you undertake.

Active, adventurous, and ambitious represent the keywords that define the development and selection of Swiss Peak products. This results in high quality functional gifts that are destined to join you on your life journey, wherever it may lead.

Their goal, find the ideal combination of functional design, superior quality, and a subtle touch of luxury.

A BLUNT umbrella is as much a fashion accessory as a high performance product. With a unique patented style, shape and pop of colour, you will always stand out no matter the weather - turning heads while keeping yours dry.

The Blunt umbrella is a perfect blend of form and function. The patented Blunt tips open like miniature umbrellas within custom pockets at the canopy edge and perform multiple purposes to make the blunt umbrella what it is. They create even tensioning of the canopy, providing a far superior structure and aerodynamic surface for overall superior performance and the rounded edges mean the tips are far safer than traditional umbrellas. The design means that Blunt umbrellas perform in all weather conditions - including winds up to 115kmh.
