Please note that there is a tolerance of 2mm-5mm required as each cup varies during mass production.

BRANDING SPECIFICATIONS - Euro Tumbler - PET 450ml - 115203

The branding template shows graduated measurements that can be included in the required artwork.
Remove the graduated measurements lines you do not wish to include.
The graduated measurements can change colour and can be made thicker, shorter or longer within the print area.
The small print areas are an additional print and setup cost.
