Artwork Requirements

**Format:**

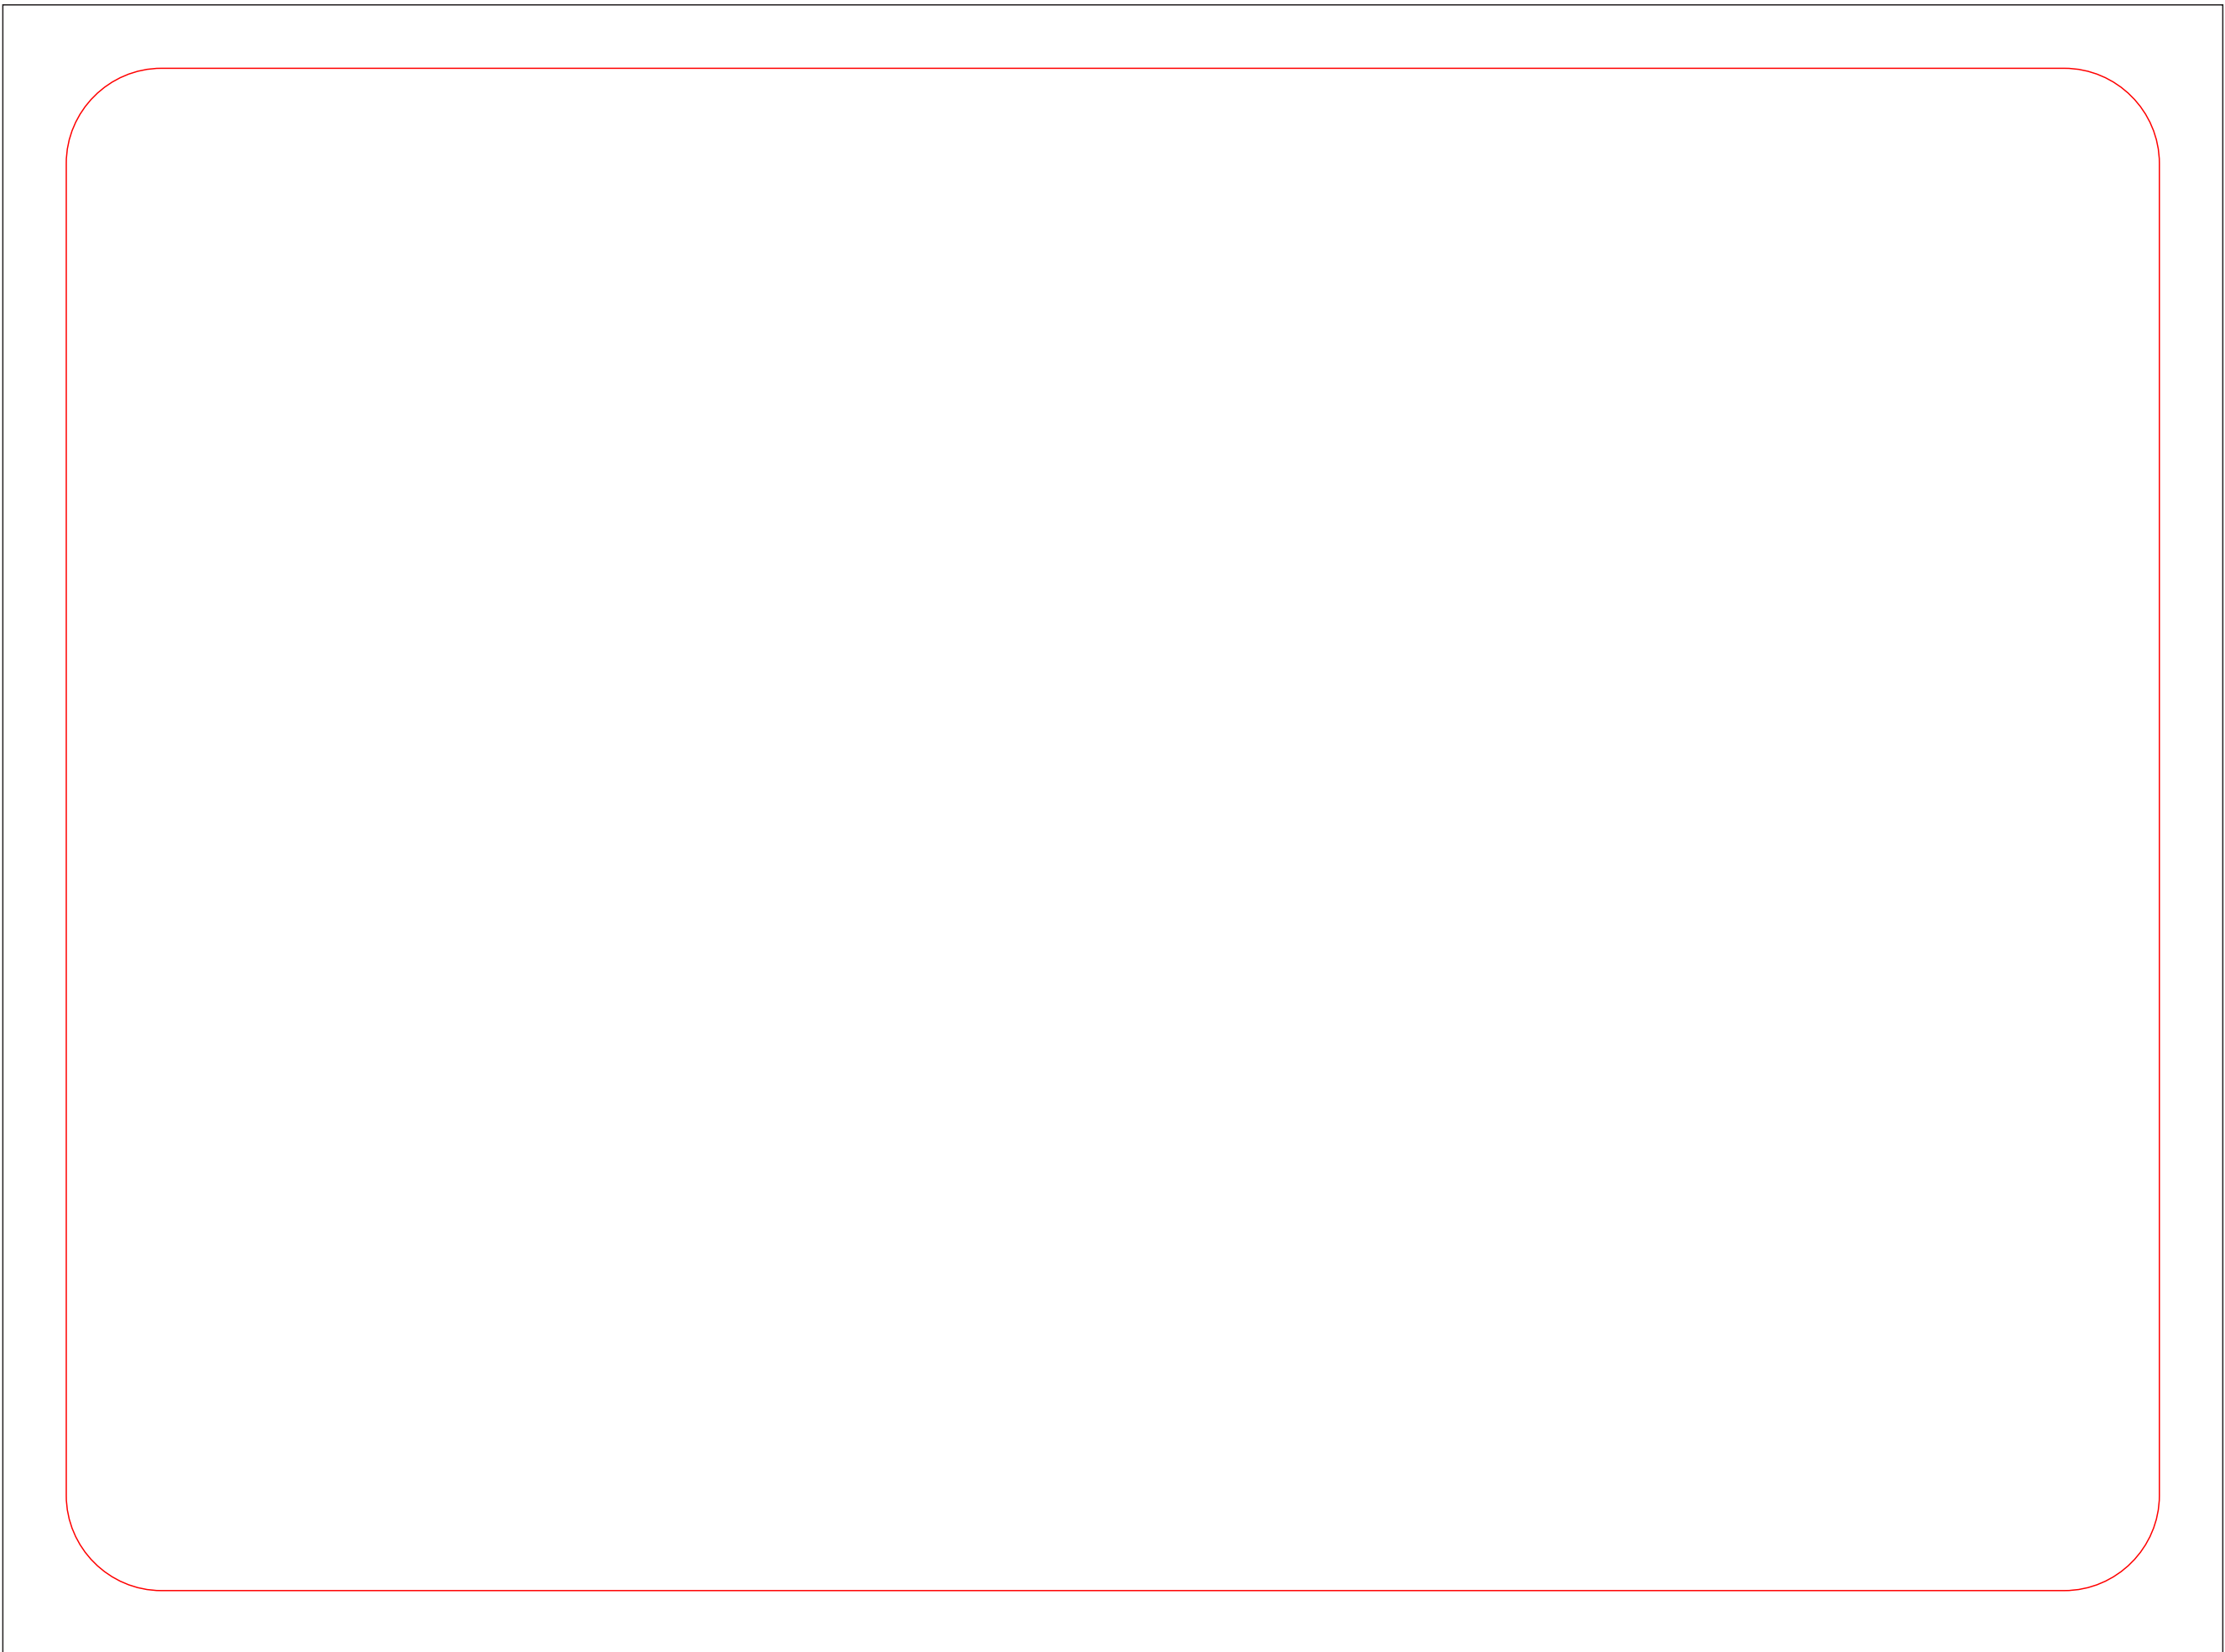

- Artwork should be supplied as Vectors where possible.
- Raster graphics should be high resolution at minimum 300dpi CMYK.
- Suitable file formats are AI, EPS or PDF.
- All linked files should be embedded within.

**Colour:**

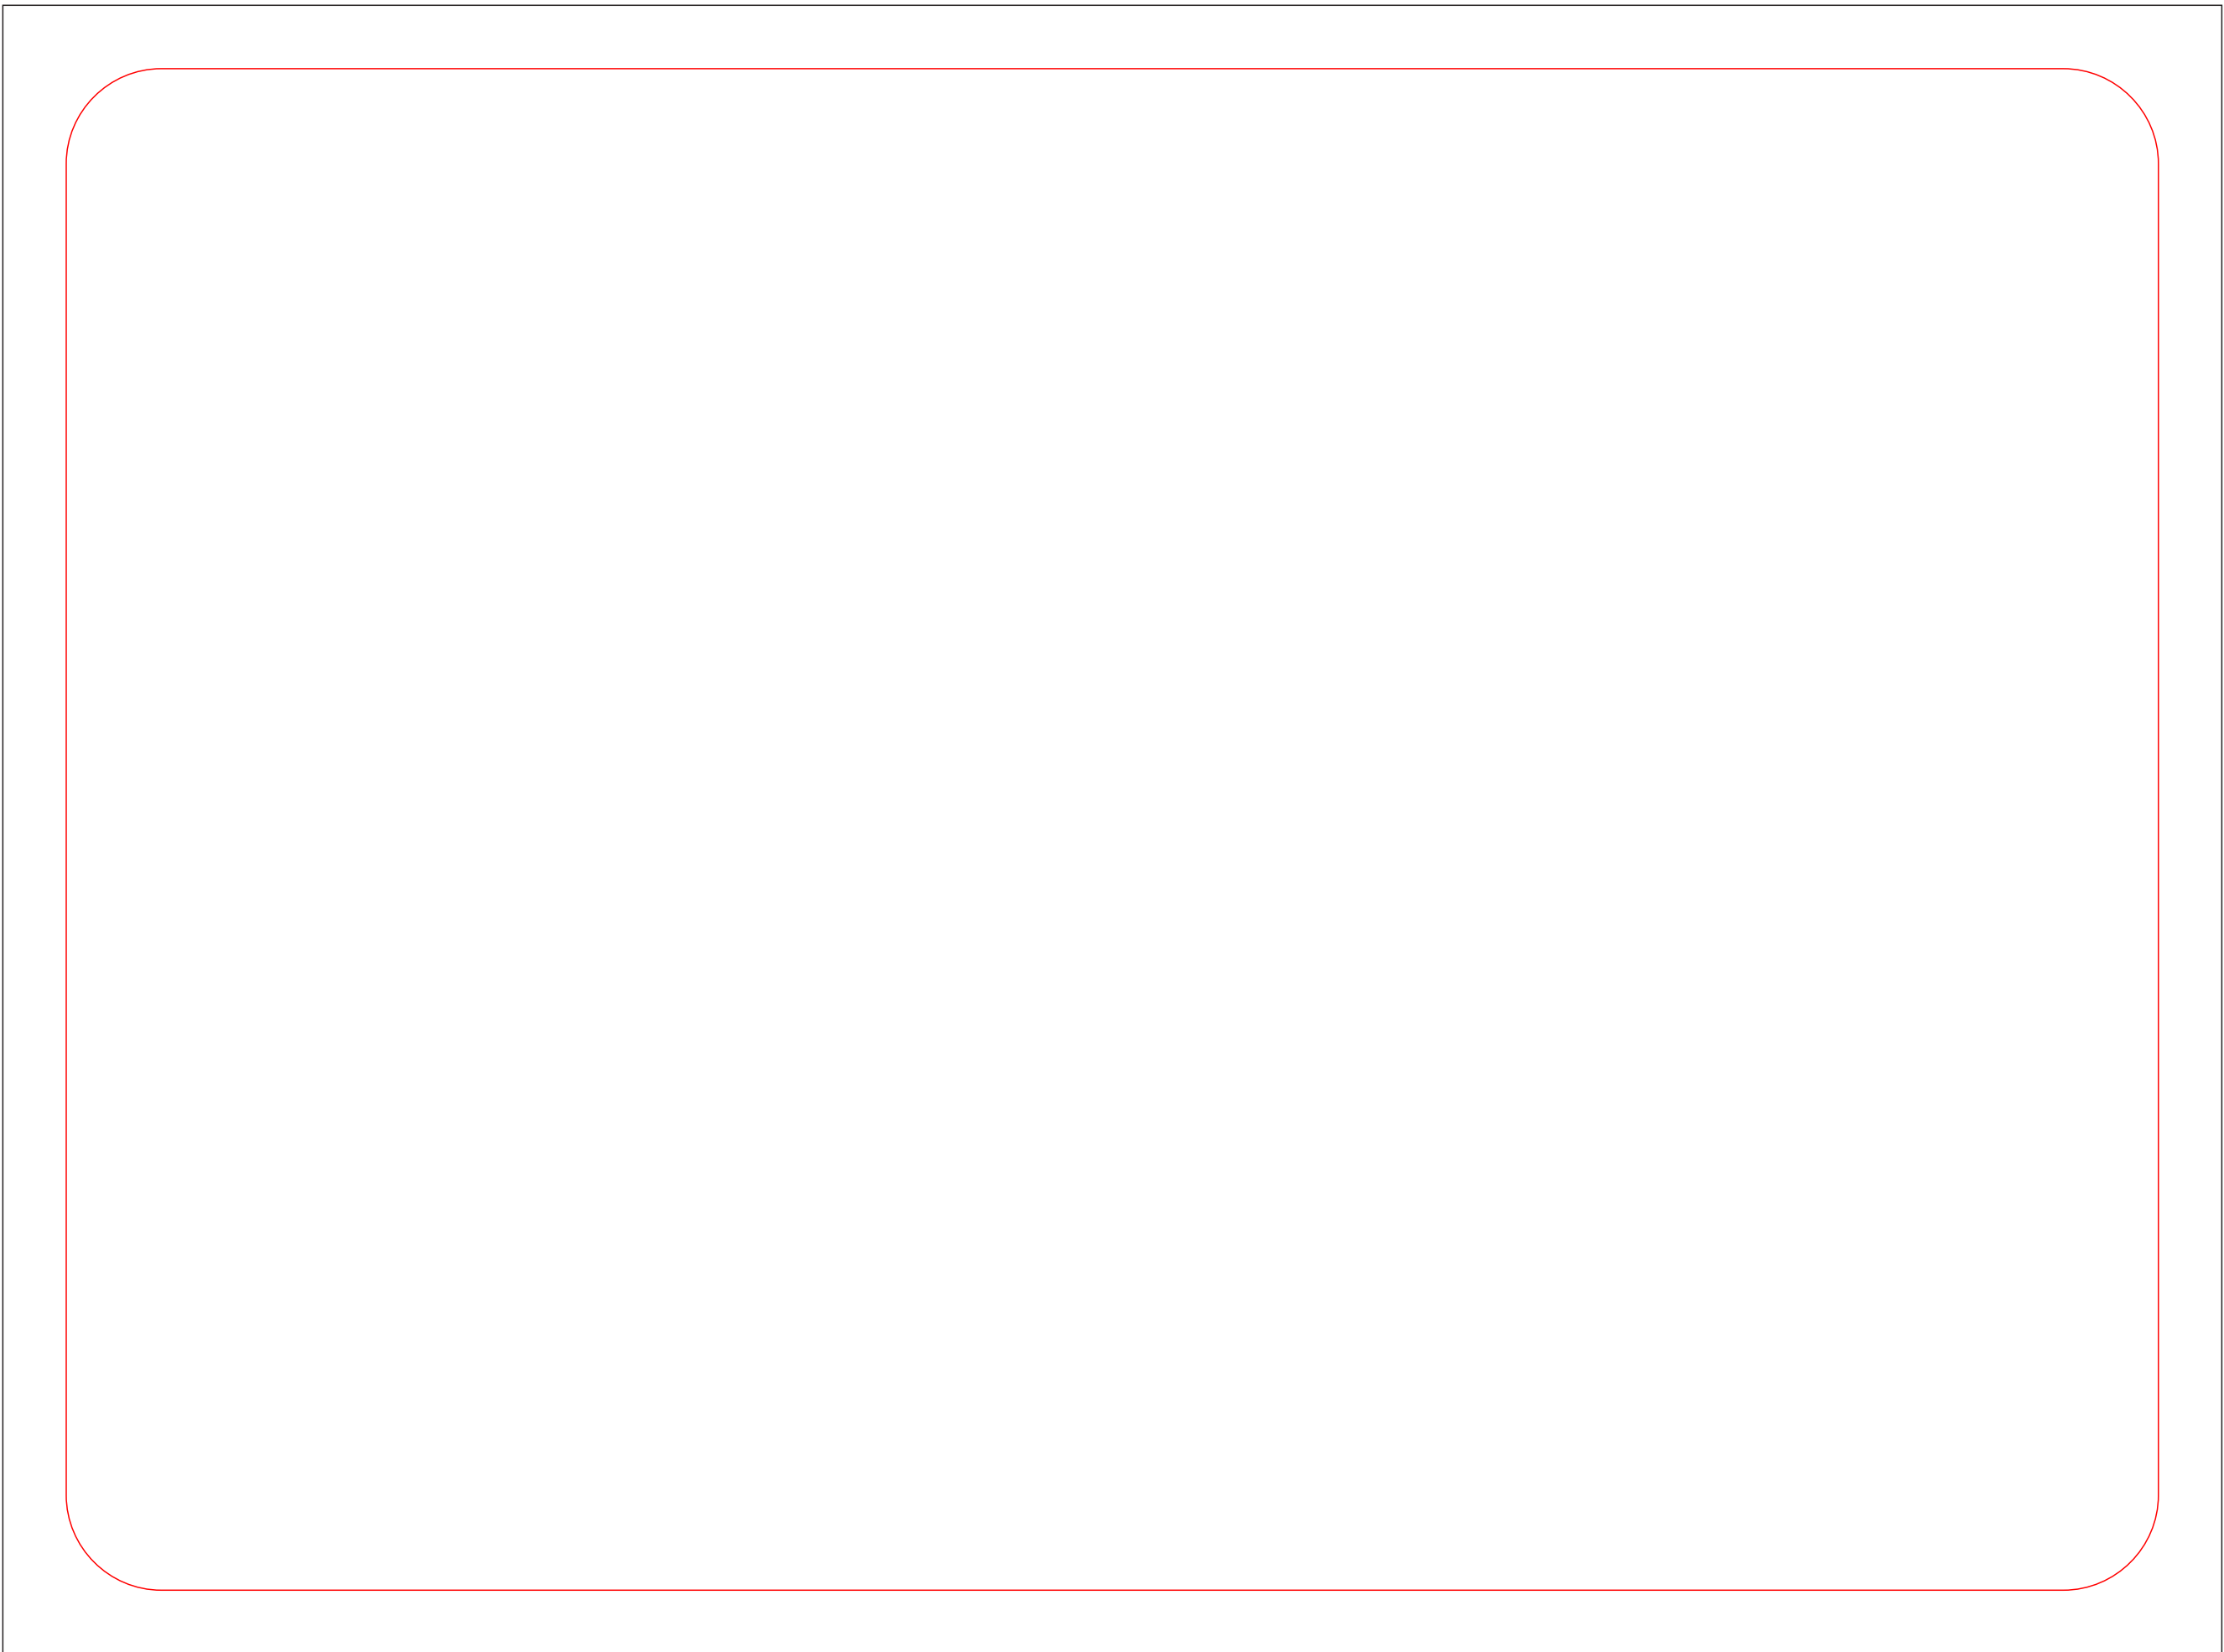

- All colours to be supplied as CMYK to avoid discrepancies by Pantone or RGB colour conversion.

**Text:**

- All text should be converted to curves/outlines.
